Honorable Justice Robert Gerber Attn: Administrator Clerk of Courts Admin: Vito Genna Hamilton Building Manhattan, New York

6/23/2014

Honorable Justice Gerber,

I am a defined creditor in the case before the US Supreme Court of Southern New York case # 09-50026 in which I request a hearing in reference to my Identity. After careful consideration is currently not in good standing as related to court ruling to the current restructuring and distribution chief advocate. In brief after two corrected E-Mail communications with no further forthcoming and loss of communications verbal by phone or corrected E-Mail as properly addressed to postmaster of distribute e some proper (possibly not their fault) considerations were noted after checking with local police authorities.

I have approached my local police department of Monmouth, Maine and voiced the accuracy by records check of my social security number as it reflects to my social security number as it relates to my active drivers license. Having changed my name on 9/06/2001 in the State of New Hampshire my residence upon my Fathers death in case and point Donald J. Keeler estate of as executor was in upstate New York on 03/04/05. The death of his 50 plus year spouse Joyce B Keeler subsequent on 10/15/07 the Estate of Joyce B. Keeler is also before the court a change of Social Security number for myself was not performed. I as a personal representative of my father Donald J Keeler prior to his death I'd married in New Hampshire a native town of Monmouth female Debra J Pinkham currently my partner and wife of 30 years. I upon my fathers death returned to Maine reactivating my license from New York timey in all instances to return to Maine with my wife. A incident of a head -on car crash occurred in 2006' which incapacitated me for a time under Doctors care in Maine.

While Joyce B Keeler frail in health in 2006 was placed in a retirement home. I'd been under medical pain from the initial on-set of the first of two head-on crashes in my Township of Monmouth the second taking place in 2010' after Joyce B Keelers death of 10/15/2007. During the time till the second accident I'd notice as well as my wife a price change of medication had occurred at the pharmacy from a co-pay basis to a medicaid level of payment. Not being on State aide in payment requirements due to co-pay status I asked the Doctors office to check with the pharmacy on why the change and looking closer at the bottle rec'vd. Another name was present a Richard G Ferrara not my name Richard A Ferraro. In recent checking with the local police department last week with Law enforcement officer Michael Parshall of Monmouth Police Department a date of Birth and social security was given. I'd checked the Department of Human Service also before my meeting and a similar outcome existed. A Mr. Richard G. Ferrara had a similar birth date of Searsport, Maine. The state verified that he was collecting EBT funds with a similar birth date. My speaking with a state of Maine DHS (Dept. of Human Services Worker) asked me for my prior to 2001' name change name and birth date and social security number to which her response was you have no record in the system for state aide at this time under Zane W. Keeler DOB 7/11/1957 and have not been on state EBT services as the other who has your 7/11/1957 birth date and he has been charging medication on your name of Richard A. Ferraro and Birthdate. I need to correct this and I need to speak to my supervisor (went back two weeks later with similar results. I reported this to my police Department the next day after the 2nd DHS meeting.

Last week being (several months after the Identity problem with the state) my correction was OK at the pharmacy level when obtaining prescriptions and has been . I requested a verification check with the Police Department in Monmouth as mentioned last week. Officer Michael Parshalls of Monmouth Police Department stated that a letter of this observation should be written to the Court due

to my loss of communications on my estate matter before the restructuring court ordered distribution reflecting his name and that he could not introduce to me a copy of the results due to rights of privacy of Richard G Ferrara of Searsport, Maine.

I request audience to the Honorable Justice Robert Gerber of the Supreme court after I'd placed a call to the customer service department of the Supreme Court to which stating the aforementioned

the response "was to request a hearing" My Drivers License has been affected (clearing this wrong social security number and name) thru Dot (woman in accuracy & integrity division of the State of Maine) after appearing (on a "seat belt violation" in Lisbon Maine, with terms of payment reflecting the wrong person on the court documents for payment) another case court matter copy enclosed reflecting a legal sheriff served to a violation in my family defense of encroachment filed of "loss of wood" (trees) improper cutting on the Estate of Joyce B Keeler unresolved reflecting the wrong name. A second matter before the District court with difficulties in name.

As advised by the Customer Service center and the continued misnaming of by Weil LLC company correspondent attn: David Griffiths of the same firm of incorrect Richard Ferrara with letters sent to David Griffiths and postmaster copy enclosed of Weil LLC as noted at the footer of the communications not to accept only to intended proper recipient was not correct as sent. I'd mentioned this was not acceptable. All communications have stopped. This may not be their fault because officer Michael Parcell says the federal computer and local computer being different the drivers license look-up method from New York would reflect the Drivers License error. I thus respect the interests of the Weil LLC restructuring Attorneys in representing me properly without distribution to the proper intended client before the court which the "mismatch of good standing" before the court is sought. I wish to request a hearing before the honorable Justice and Weil LLC to properly correction this important matter of my family's multiple estate properly defined by the court of representation of my name. I maybe contacted for a future appointment to appear formally before the court additional to 2 others before the Honorable Justice Robert Gerber in 2009, 2010 respectively.

I am open & available in writing at 625 Wilson Pond Road N Monmouth Maine 04265-6117 legal address for my deceased parents to which their home has been awarded by the Honorable Justice James Mitchell of Kennebec County Court as executor to the Estate of Donald J & Joyce B. Keeler of same address. Telephone number 207 242-5364 Richard 207 931-5130 Debra J Keeler wife.

Respectfully,

Richard A Ferraro 625 Wilson Pond Road North Monmouth Maine 04265-6117

footnote: With respect the rquest of Mr Vito Genna of the court in regards to Pacer problems and communications problems with the Pacer system I have made formal complaint to the ISP internet service provider Time Warner and the security staff is according to the service divison working on this problem. In regards to securing a Attorney for the case 09-50026 joint I have entertained (copys enclosed two firms with results outlined) respectively all from New York. A third with formal meeting in upstate New York, Saratoga County, Honorable Justice John Cromie to which a face to face meeting within the last two weeks has been performed. As far as GM in mention as well as unresolved estate (real property) he is in consult at this time on Matters of New York property Joyce's father, grandfather, Donald also under consideration. Told to continue venue on GM when asked.

Dear Mr. Ferraro:

Thank you for contacting me and my colleague Ms. Sarah Gryll over the last two weeks with respect to your possible retention of Hahn & Hessen LLP as attorneys-at-law to represent you, and/or certain trusts, estates, entities, and/or individuals for which you may be trustee, executor, administrator, or other legal representative (collectively, the "Ferraro Parties"), with respect to claims against and interests in GM and GM's bankruptcy estate.

I have considered our telephone conversation of June 19, 2014 (at which Ms. Gryll was present) and have concluded that it will not be possible for Eahn & Hessen LLP as attorneys-at-law to represent the Ferraro Parties with respect to GM and GM's estate. Accordingly, this letter shall memorialize that Hahn & Hessen LLP has declined such legal representation and that Hahn & Hessen LLP has not entered into an attorney-client relationship with the Ferraro Parties with respect to GM or otherwise.

re: Legal representation

Dear Mr. Ferraro:

This will confirm that we met at my office today to discuss several intricate estate matters. Previously you had supplied certain documentation to me for my review.

After reviewing your goals in seeking my assistance, I determined that I would be unable to assist you. You should not take this declination of representation as a comment on the merit, or lack of merit, of your case. I have made no investigation into the merits of your claim other than undertaking a limited review of the documents which you shared with me. I am not expressing an opinion as to whether you have a viable or valuable position to defend or pursue. It is not clear to me if you are subject to any upcoming time deadlines.

You should however take steps immediately to contact another attorney to preserve whatever rights you may have. I have sent you an email with two attorneys names who are located in the Albany area.

Thank you for considering me.

Very truly yours,

John C. Mannix, Jr.

Good Afternoon Mr. Ferraro,

I contacted you this morning regarding your formal complaint with the FCC. The details of your complaint are somewhat unclear to me. It appears a connection, belonging to the Town of Monmouth, has been compromised. As a result, your work was shared with unnecessary parties. Is this correct?

I've located your accounts that we discussed, and noticed a note of your request to install Business Class services at your home. I want to make sure we help you in the best way possible. Please let me know what it is you are looking for as a resolution.

Thank you.

Subject: RE: Richard Ferraro- FCC

Good Morning Mr. Ferraro,

I have received your voicemail. Thank you for the clarification.

From the verbal description you've provided:

- · it seems your business has been compromised by unauthorized parties via the connection that belongs to the Town of Monmouth.
- · Your identity was stolen.
- The Town of Monmouth has been "violating" you for many years.
- · Complaints were made previously to Adelphia.

Am I correct to conclude that someone stole your identity and hacked your business while using an internet connection that belongs to the Town of Monmouth?

What continues to be unclear is your desired resolution. It appears you have taken legal action, which I assume is to prosecute those responsible.

Please tell me what Time Warner Cable may do to assist here.

Thank you.

Chris Birchmore
